

CURRICULUM VITAE

DR. SHAILESH A. SHAH

**UROLOGIST, ANDROLOGIST
AND
TRANSPLANT SURGEON**

Resume

Dr. Shailesh A Shah

Age: 50 years (Date of Birth May, 12, 1958)

Chairman: Kidneyline Healthcare Pvt. Ltd.

Managing Trustee : Snehlata Anantray Shah Memorial Charitable Trust

Managing Director : Bodyline Hospitals

Professor: Hon. Professor, Head of Urology & Transplantation Department:
Institute of Kidney Diseases & Research Centre, Civil Hospital Campus, Ahmedabad – India

Qualifications:

MBBS (University First)	in 1981
MS (Goldmedalist)	in 1984
M Ch Urology (CMC Vellore)	in 1988
FICS	in 1995

Experience:

Standing in profession	- 21 years
Teaching	- 15 years
Head of Department	- 10 years
Hon. Professor	- 10 years
Private Practise	- 19 Years

National Award:

Late Prof. G. M. Phadke traveling fellowship awarded by Urological Society of India
CKP Menon award for best scientific paper in 1987

Organisational Experience:

Organized Kidney Transplant Programme of I.K.D.R.C. from 1988 onwards
Established Urology department in Jivraj Mehta Hospital in 1991
Organised live operative workshop – 3
Conferences – 5

Post held:

Hon. Treasurer: Urological Society of India, West Zone Chapter Year 2001 to 2004
President: Ahmedabad Urological Association Year 2001 to 2002
Vice President: Indian Society of Organ Transplantation Year 1994 to 1995
Hon. Secretary. Urological Society of India, West Zone Chapter Year 2004 onwards
Council member : Urological Society of India West Zone Chapter 1998 to 2001
Council member : Urological Society of India 2007 to 2009

Publications:

Article published international Journal	:	3 + 4 (Abstract in Journal of Urology in European Urology)
Article published national	:	20
Paper presented in National & International	:	102
Delivered over 125 lectures on different topics	:	
Guest Faculty	:	25
Article Published in Text Book	:	1

EXAMINER AND INSPECTOR:

National Board of Examination for 20 years

DNB inspection of urology department of Safdarganaj Hospital in years 2007

DNB inspection of Urology Department of Ruby Hall Clinic on 6th February 2008

DNB inspection of urology department of Mahajan Hospital in years 2008

Director of New Project : 70 Bedded multispeciality hospital with advanced ICCU at Next to Dev Mall, New Vikas Gruh Road, Opp. Annapurna Hall, Paldi, Ahmedabad

EDITORIAL MEMBER :

Indian Journal of urology year 2007 to 2009

News Letter : Mohan Foundation

EXCLUSIVE DATA :

Trained at CMC Vellore form urology & transplantation and performed more than 700 kidney transplantation individual & up to 1500 as a team.

1st orthotopic kidney transplantation of India performed & presented in international video conference.

Trained several transplant surgeon

Only invited member from Gujarat for Genito Urinary Reconstructive Surgeons of world.

INVITED MEMBER FROM INDIA BY GURS, Post office Box : 762515, San Antonio, TX 78245-2515

1. PERSONAL DATA:

1. Name : DR. SHAILESH SHAH

2. Spouse's Name : DR. MADHU SHAH
M. B. B. S., D. V. & D. (BOMBAY)
DIRECTOR
KIDNEYLINE HEALTHCARE

4. Father's Name : LATE SHRI ANANTRAY SHAH

5. Date of Birth : 12th May, 1958

6. Age : 50 years

7. Nationality : Indian

8. Contact : **Residence:**
"ARMAAN"
33, Nutan Society,
B/H. Suvidha Shopping centre,

7. Qualifications : M.B.B.S. (University First) in 1981
M. S (Gold Medallist) in 1984
M. Ch (Urology) C.M.C. Vellore in 1988

F.I.C.S. in 1995

2. ASSIGNMENTS:

- 1. Present Assignments:**
- (A) Hon. Professor & Head of Urology & Transplant Department Unit 1
Institute of Kidney Disease & Research Centre,
Institute of Transplantation
Civil Hospital Campus,
Ahmedabad – 380 016.
- (B) CHAIRMAN & Consultant Urologist Andrologist & Transplant Surgeon

Kidneyline Healthcare Pvt. Ltd
1st Floor, Harikrupa Towers,
B/h Gujarat College, Nr. Govt. Ladies Hostel,
Ellisbridge, AHMEDABAD – 380 006.
(Brochure of Hospital is attached)

- Previous Assignments:**
- Asst. & Associate Professor of Urology, Institute of Kidney Diseases & Research Centre,
B. J. Medical College,
Ahmedabad (March 1988 to Jan. 1990)
- Consultant Urologist at
Jivraj Mehta Hospital,
Ahmedabad (June 1991 to October, 1997)

3. PROFESSIONAL EXPERIENCE:

1. Residency in Department of Surgery from 1st January 1982 to 20th February 1985 at IRWIN GROUP OF HOSPITALS & M.P. SHAH MEDICAL COLLEGE, JAMNAGAR inclusive of teaching experience of more than two years.
2. Senior Registrar in Department of Urology & Renal Transplant from 1st February, 1986 to 15th January, 1988 at Christian Medical College & Hospital at Vellore inclusive of teaching experience of Urology all the three years.

Actively involved in last 300 live donor renal transplantations done under direct supervision of Padmashri A. P. Pandey and Professor Ganesh Gopal Krishnan at C.M.C. Hospital Vellore which is the pioneer Institute of South East Asia for Renal Transplantation.

Experience of various types of Endoscopic Urological Surgeries, Reconstructive Urology, Paediatric Urology, Onco Urology, Andro Urology & Urodynamics at Christian Medical College & Hospital, Vellore.

3. After training at Vellore when I came here It was 30 bedded Urology unit. Today Institute of Kidney Diseases & Research Centre is 400 bedded Nephro-Urology Hospital. I am founder of urology department of IKDRC. In last 20 years.

- A. More than 50,000 urological procedures.
 - B. 15000 TURP
 - C. More than 7600 PCNL
 - D. More 8000 upper tract surgeries
 - E. More than 12000 reconstructive surgeries
4. At present Head of Urology, Unit – I Kidney Institute having O.P.D. on Monday, Wednesday & Friday.
 5. Teaching experience of 17 years in urology from C.M.C. Vellore to I.K.D.R.C., Ahmedabad.
 6. I.K.D.R.C. is an autonomous institute, Dr. H. L. Trivedi is Founder Director. In 1990, I started the first DNB Course of Urology in the state of Gujarat. Under me more than 25 urologists have qualified.
 7. Jivraj Mehta Hospital was started in Ahmedabad to serve the middle class community. I established Urology Department of that hospital. By taking my own instruments I operated many patients between June 1991 to October 1997.
 8. Urology Trainer :
 - 1) Established Dept. of Urology at IKDRC in 1998 and started first DNB programme of Urology in 1991 till date 2 new urologist every year are trained from various states of India.
 - 2) Started fellowship at KHPL and many are ultimately selected for Mch/DNB programme and rest are practicing Urologist.
 - 3) Examiner of DNB.

4. PROFESSIONAL AFFILIATIONS : (POST HELD)

1. Hon. Secretary : Urological Society of India West Zone Chapter 2004 - 2006
2. Hon. Treasurer : Urological Society of India West Zone Chapter 2001-2004
2. President : Ahmedabad Urology Association 2001-2002
3. Life Member : Urological Society of India
4. International Member :
 - A) American Urological Association
 - B) British Association of Urological Surgeons
 - C) Society International d'Urologie)
5. Vice President – Indian Society of Organ Transplantation 1994-95
6. Fellow – International College of Surgeons – Indian Section
7. Council member – 1995 – 1996 Urological Society of India, West Zone Chapter.
8. Central Council member – 2006 – 2007 Urological Society of India, elected unopposed representing West zone.
9. Head, Urology & Transplantation Unit IKDRC for 10 years.
10. Established Snehlata Anantray Shah Charitable Trust to provide relief to poor patient for medical treatment.
11. Trustee in Shree Sarvodaya Medical Society, since 2005

5. ORGANIZATIONAL EXPERIENCE:

- A. Arranged a workshop on Reconstructive Urology, technology transfer in 1997 at Institute of Kidney Diseases & Research Centre, professor C.R.J.Woodhouse from Institute of Urology London
- B. Joint Organising Secretary of annual meeting of ISOT (Indian Society of Organ Transplantation)
- C. Organized a Live Operative Workshop of Retroperitoneal Laparoscopic donor nephrectomy at Institute of Kidney Diseases & Research Centre, Ahmedabad in year 2000.
- D. Gynaec Urology Live Operative Workshop & Symposium in October 2000 under the auspices of Urological Society of India West Zone Chapter, Ahmedabad Urological Association & Ahmedabad Obstetrics & Gynecology Society, at Institute of Kidney Diseases & Research Centre, Auditorium.
- E. Organized Annual Conference of Ahmedabad Urological Association at Mehsana Shanku Water Park in January 2002.
- F. The transplantation programme of I.K.D.R.C. is organized by me. Total 900 transplantations are done as a team and as a head I am involved in all transplantations but personally I have done around 400 kidney transplantations. I have done India's first **"ORTHOTOPIC TRANSPLANTATION"**
- G. Organized academic programme of two annual conferences of USI (WZ) at Gwalior & Mehsana in year 2005 & 2006
- H. Organised workshop on cadaveric dissection of female pelvic floor at USICON (WZ) Mehsana in year 2006.
- I. Established ' Snehlata Anantray Shah Charitable Trust, and organized several charitable work including of many free camps.
- K. Key person to make new constitution and registration of USI (WZ) during Treasurership.
- L. Organising Secretary of Annual Conference of Urological Society of India year 2005 at Hotel Grand Bhagvati, Ahmedabad.
- M. Council member of Urological Society of India between 2007 to 2009

6. PRIZES & HONOURS:

- 1. Award for best out going student of M.P. Shah Medical College, Jamnagar.
- 2. Silver Medal Award by Indian Medical Council. Gujarat Branch for Standing first in M.B.B.S. Examination.
- 3. Gold Medal from Saurashtra University for best performance in M. S. (General Surgery) Examination.
- 4. Late Prof. G. M. Phadke travelling fellowship awarded by Urological Society of India in 1988
- 5. C.P.K. Menon award for best scientific paper at conference of Urological Society of India, 1987 on "Urodynamic Study in Transplant Patients"
- 6. Dr. K. K. Shah Best Nursing Home Trophy given by I.M.A. Ahmedabad to Kidneyline Healthcare for 1996-97, where I am working as a Chairman & Managing Director.
- 7. Second Prize for presenting paper of Billimora in State Level A.S.I. conference paper on "GENITO URINARY TUBERCULOSIS EARLIER IS BETTER".
- 8. Gold Medal and Best Paper prize in State Level A.S.I. conference at Ahmedabad on "SURGERY STILL PLAYS A VITAL ROLE IN UROLITHIASIS".

9. Second best ' Podium ' paper on vaginal reconstruction for long absence of vaginal 5 cases at USICON (WZ) 2006 Mehsana which was invited to be presented in USICON 2007 at Patna.

7. CONFERENCE ATTENDED & CHAIRED:

1. **GENITO URINARY RECONSTRUCTIVE SOCIETY, LONDON, U.K.** offered Sponsorship to attend Reconstructive Urology meeting organized by Institute of Urology, Nephrology London, U.K.
2. **Attended A.U.A. meeting at New Orleans, Louisiana, USA** & Participated in Paediatric Urology & Reconstructive Urology group of meeting.
3. **First Cadaveric Renal Transplantation done at I.K.D.R.C. after the "Brain Death Legislation in State of Gujarat"**.
4. Speaker in C.E.U. (Dr. Arthur E.D'Souza) in 43rd Annual Conference of International College of Surgeons held at Mount Abu as a teaching faculty on "Genito Urinary Injury".
5. Participant in Symposium of "Stricture Urethra" moderated by Dr. Asopa in 43rd Annual Conference of Indian College of Surgeons.
6. Speaker in Symposium of 43rd Annual Conference on "Antibiotic in Urology & Transplantation " held at Mount Abu.
7. Chaired a Video Session of West Zone USICON held at Jamnagar in 1997.
8. Organized an operative Workshop on "Reconstructive Urology" at Institute of Kidney Diseases and Research Centre in which Mr. C.R.J. Woodhouse from Institute of Urology, London demonstrated an operation for Continent Urinary Diversion (Workshop modulated by me)
9. Taken part in symposium on Surgery in G.U. Tuberculosis. Reconstruction in G. U. Tuberculosis when & how?
10. Chaired a session by Mr. C.R.J. Woodhouse -- subject was Transplant in Abnormal Urinary Bladder.
11. Chaired a session by Dr. A. G. Phadke Subject was – Infertility where do we stand today.
12. Attended 'World Congress of Endo-urology' at New York in Sept. 1998.
13. Panelist in Symposium in 1998, Gujarat State Surgeon's Conference held at Rajkot. Subject: BPH, Present Perspective.
14. Discussant of C.P.C. in annual conference of Ahmedabad Urological Association (Gujarat Uro-Feast) to 6th December, 1998
15. Participated in National Symposium of Cadaveric Transplantation by presenting a video on **Harv**
16. **esting Cadaveric Kidneys** in XXXII National Conference of Urological Society of India (USICON 99) held at Bhuvneshwar on 15th to 18th Jan. 1999.
17. Participated in National Symposium of Urethral Stricture Diseases by presenting a video on Dorsal Free Graft Repair of Urethral Stricture in XXXII National Conference of Urological Society of India held at Bhuvneshwar on 15th to 18th January, 1999.
18. Attended International Workshop on Hypospadias & Child with Undetermined Sex (Inter Sex) on 30th & 31st January, 1999 at AIIMS, New Delhi.
19. Attended 94th Annual meeting of American Urological Association held at Dallas, Texas U.S.A. between 1st may to 6th May.
20. Delivered a public lecture in Surgical aspect of Chronic Renal Failure organised by Navin Institute of Self Development & Academic of Applied Basic Medical Science.
21. Participated in Symposium of "Energies in Urology" in West Zone Conference of USI held at Goa in month of October 1999. The Lecture was on Thermo-therapy.
22. Attended "Live International Workshop and CME on Laparoscopy Urologic Surgery" in Nov. 1999 at New Delhi.

23. Attended 95th Annual meeting of American Urological Association held at Atlanta, USA. From 29th April to 4th May.
24. Chaired session of a Debate first investigation in acute loin pain in Annual Conference of Urological Society of India held at Nagpur in 2001, January
25. Presented take home message in USICON----Nagpur 2001.
26. Moderated Laparoscopic Surgery Workshop in year 2000 at Cama Hall organized by Ahmedabad Urological Association
27. Moderated CPC in annual conference of Ahmedabad Urological Association year 2002
28. Chaired Podium on UROLITHIASIS in USICON – 2002 at Jaipur
28. Visited Department of Laparoscopy & minimal invasive surgery at Cleveland Clinic foundation – OHIO, USA from May 12 to May 28th 2002. Dr Inderbir Gill Certified his visit
29. Attended 100th AUA meeting at Orlando – Florida at USA
30. Attended live Operative International Laparoscopic workshop at New Delhi AIIMS in April 2002.
31. Moderated a Symposium on 'UTI in Adult Woman' with Dr Mrs. Anita Patel, Dr Mr. Vineet Mishra, Dr Abhay Khandekar & Dr Jacob John in XII West Zone USICON 2002 held at Nadiad on 28th October 2002
32. Chaired a session of podium in XII West Zone USICON at Nadiad
33. Attended in Live International Workshop on Reconstructive Urology in Pune, India between 22nd to 24th November 2002.
34. Participated in a symposium of "UROLITHIASIS" in annual conference of Gujarat State Surgeons Association & Gujarat State Chapter of ASI held at Mehsana on 30/11/02
35. Participated in 6th Asia Pacific Continence Advisory Board Meeting (APCAB) & 5th Scientific Meeting of Asian Society For Female Urology (ASFU) & Presented following Video & Moderate a Podium on Stress Urinary Incontinence
 1. Management of Female Urethral Diverticulum with Stress Urinary Incontinence
 2. Female Epispadias repair & simultaneous pubovaginal sling for Incontinence (A New Procedure)
 3. Traumatic (Post Earthquake) Female Urethral Stricture – Management Dilemma
36. Moderated a session "UROLOGY FOR GENERAL SURGEON" at GUJSURGCON 2003 at BHUJ-KACCHA in November, 2003
37. Hold workshop on Laparoscopic Donor Nephrectomy at IKDRC, and assisted Dr. Ramalingam in August 2003.
38. Hold Workshop on Laparoscopic Donor Nephrectomy & assisted Dr. Sanjay Kulkarni in January 2004 at IKDRC, Ahmedabad.
39. Participated in the Transplant Speciality Meeting on "A Fool Proof Vascular Anastomosis – Technique & Tricks", USICON 2004 at Kochin
40. Participated in the Subspecialty Meeting of Endourology on "Prevention and Management of Bleeding during PCNL at Kochin USICON 2004
41. Presented following Video in USICON 2004 at Kochin
 - A. Female Urethral Reconstruction – Tricks & Trade
 - B. Evolving Urethroplasty options for Bulbar Urethral Stricture: A Current Rationale for Procedure Selection
 - C. Female Epispadias Repair and Simultaneous Pubovaginal Sling for Incontinence - (A NEW Procedure)
42. Co-Director & Speaker Female Urology Instructional Course at Mumbai. Bu SIU India
43. Organised Live Cadaver Dissection of Pelvic Floor & Perineum with the help of Deptt. Of Anatomy, N.H.L. Medical College, Ahmedabad at USICON 2006 at Mehsana.

44. Course Director of Live Operative Workshop of Female Urology USICON 2006 at Mehsana.
45. Attended Meeting of Prostate Cancer Core Group at Hyderabad.
46. Invited as an Examiner at Mock Exam conducted at MPUH, Nadiad in Programme for PGs by Urological Society of India.
47. Chaired sunrise session of 'free paper' in ISOT Ahmedabad on 6th October 2006 with Dr Vijay Sakhuja.
48. Invited faculty by Gujarat State Surgeons Association conference year 2008 held at Apollo Hospitals on 11th May 2008

8. PAPERS PRESENTED IN CONFERENCES:

- A. Paper read at Annual Conference of Urological Society of India 1985 at Ooty, Tamilnadu, "Evaluation of Politano lead better and Extravesical Ureteroneocystomy in Renal Transplant Recipients".
- B. Paper read at Annual Conference of Urological Society of India, 1986 at Vijayawada, A.P. "Obstructive Uropathy & Neurofibromatosis".
- C. Paper read at Annual Conference of Urological Society of India, 1986 at Jodhpur, Rajasthan "Urodynamic Study of renal transplant recipients".
- D. Paper read at Annual Conference of Urological Society of India at Ahmedabad "Stone Surgery in Renal Failure".
- E. Paper read at Annual Conference of State A.S.I. (1989) at Bilimora on **"GENITO URINARY TUBERCULOSIS, EARLIER IS BETTER"**.
- F. Poster presentation at Kanyakumari U.S.I. Silver Jubilee Conference on "YOUR RESECTOSCOPES CAN HELP IN MANAGEMENT OF VESICOGLUTEAL FISTULA".
- G. "Anterior Urethral Valve Surgery on Endoscopy" Presented at Kanyakumari, U.S.I. Conference.
- H. Poster Presentation at Pune U.S.I. Conference on **"BLAVIUS REPAIR FOR COMPLICATED URETHROVESICAL FISTULA & FEMALE HYPOSPADIAS"**.
- I. Poster Presentation on **"ROLE OF FNAC IN G. U. TUBERCULOSIS"** at Pune Conference with Dr. K. P. Parikh.
- J. Poster Presentation on "TOTAL RECONSTRUCTION OF URETHRA & DIVERTICULUM OF URETHRA" with Dr. H. G. Motiwala.
- K. Poster: "FAILED SELF INTERMITTENT CATHETERISATION VESICLE NEUROFIBROMATOSIS" in West Zone USICON 1993.
- L. Paper Genito Urinary Tuberculosis earlier is better: West Zone USICON Conference 1993.
- M. Poster Presented in 11th "INTERNATIONAL CONGRESS OF NEPHROLOGY at Japan, UROLOGIC SURGERY IN RENAL FAILURE, How far?"
- N. "GENUINE BLADDER OUT FLOW OBSTRUCTION IN FEMALE" Paper Presented in National Conference of Internal College of Surgeons held at Pune in 1994.
- O. "RECONSTRUCTIVE UROLOGY IN RENAL FAILURE" Paper read in Kolhapur Annual Conference of Urological Society of India in 1994.
- P. Poster Presented on "DOES CLAM CYSTOPLASTY CALM URINARY BLADDER OR NOT?" in Annual Conference of Urological Society of India West Zone at Kolhapur in 1994.
- Q. Initial Experience of Lithostar Plus (500 cases) presented in West Zone USICON in 1994.
- R. "A SYMPTOMATIC RUPTURE OF URINARY BLADDER IN G. U. TUBERCULOSIS" Poster presented in West Zone Conference of Urological Society of India.
- S. Paper presented in International: Kidney Conference and 7th Annual Conference of I.S.O.T. "Donor Nephrectomy, Our Consideration".

- T. Poster Presented in 8th I.S.O.T. Conference “ Pre-transplant Urological Evaluation. How much to evaluate?
- U. Poster presented in 8th I.S.O.T. Conference “Vascular Anastomosis as we do it”.
- V. “Increasing Incidence Xanthogranuloma Pyelonephritis the Cause for Concern” Poster presented in National Conference at Mumbai.
- W. “Reconstructive Surgery in Renal Failure” paper presented in National Conference Mumbai 1997.
- X. “ Lithotripsy for Paediatric Urolithiasis” Paper presented in National Conference Mumbai, 1997.
- Y. “G. U. Koch’s Paradoxin Management”, Poster presented in National Conference, Mumbai 1997.
- Z. Predicament of recovery of renal function by P.C.N.L. How far ? Paper presented in National Urology Conference, Mumbai 1997.
- AA. Papers Suburethral Sling Cystourethropexy in Adverse female stress incontinence, presented in West Zone USICON 1997 held at Jamnagar.
- BB. Paper presented on Anal Sphincter used as continence procedure MAINZ II our experience in West Zone USICON 1997 held at Jamnagar.
- CC. Paper on Failed Pyeloplasty in West Zone USICON 1997 held at Jamnagar.
- DD. Paper on Gastrocystoplasty in Renal Failure our experience West Zone USICON – 1997
- EE. Poster Presented on An Unusual Presentation of Renal Cell Carcinoma in Post-transplant Cadaveric Renal Graft in National Conference of Urological Society of India held at Bhuvneshwar on 15th to 18th Jan. 1999.
- FF. Co-author of Papers 1.
 Ureteric Stricture & G. U. Koch's.
 2. Abnormal Bladder & Transplantation : Our Experience
 3. Can Stricture Urethra Present as RAM's PENIS?
- GG. Presented Video in 12th VIDEO UROLOGY WORLD CONGRESS on the following held at Goa, INDIA
 1. Harvesting of Cadaver Kidney Donor - India (IKDRC) Experience
 2. Orthotopic Renal Transplantation in Severe Retroperitoneal Fibrosis.
 3. Buccal Mucosal Graft for Ureteric Strictures
 4. Intracorporeal Lithotripsy of Large Ureteric Stone & Retrograde Endopyelotomy.
- HH. Presented following Posters in 2nd International Meeting on Reconstructive Urology, at Hamburg Harborage (Germany)
 A. Buccal Mucosal Graft for Ureteric Strictures
 B. Orthotopic Renal Transplantation in Severe Retroperitoneal Fibrosis
 C. Management of Bulbar Strictures By Dorsal Free Graft Urethoplasty
 D. Management of Tuberculous Ureteral Strictures : Our Experience
- II. Video on A. V. Fistula & stone disease in above conference. A Podium presentation on 'Intersex Management - Urologist's Nightmare.
- JJ. Co-author of other three -
 Reflux Nephropathy & Transplantation. -
 Management of Vesicovaginal Fistula by O'conor Repair : our Experience.
 - Pubovaginal Sling as a Primary Procedure in Urethral Hypermobility & Stress Urinary Incontinence.

- KK. Co-ordinator of Symposium "Surgery in Renal Failure" in 3rd International Kidney Diseases Conference held at Institute of Kidney Diseases & Research Centre in January 2000.
- LL. Video Presented : Buccal Mucosal in Urology in Hyderabad Urological Society of India Conference 2000 January.
- MM. Our 3 years experience of Free Graft Urethroplasty Paper Presented in USICON 2000 held at Hyderabad.
- NN. Presented Video Symposia on PCNL Complications & Female hypospadias in Jabalpur Conference.
- OO. Participated in Case Discussion on Renal Transplantation & Renovascular Surgery Subspeciality meeting & Management of rare unusual problems in Renal Transplant Surgery in USICON 2002 at Jaipur
- PP. Presented following papers in USICON – 2002 at Jaipur on the subjects of
- a. Transplantation of dual graft in a child from four years old donor
 - b. Care of cadaver helps harvesting functioning kidneys.
 - c. Female epispadias repair and simultaneous pubovaginal sling for urinary incontinence.
 - d. BXO : Changing trends in management
 - e. Cadaveric Renal Transplantation – our experience.
 - f. The domino / crossover renal transplant – a way to expand donor pool
 - g. Paediatric renal transplantation : a single center experience.
 - h. **"BUCCAL MUCOSAL GRAFT IN URETERIC STRICTURE"** is an Innovation in concept & technique in India. The paper was accepted in "BRITISH ASSOCIATION OF UROLOGICAL SURGEONS" in 2001. This paper was presented as an INNOVATION IN USICON – Jaipur year 2002
- QQ. Presented following papers in XII WEST ZONE USICON – 2002 at Nadiad on the subjects of
- a. Current status of Pedicled Preputial Skin Graft Urethroplasty in the Management of Recurrent Urethral Strictures
 - b. Mainz II (Sigma Rectum Pouch) Urinary Diversion- Eight Years Experience
 - c. Traumatic (post earthquake) female urethral stricture
 - d. Management of female Urethral diverticulum with stress Urinary incontinence
 - e. Iatrogenic female hypospadias treated by vaginal flap Urethroplasty
 - f. Fracture penis – A Case report
 - g. Congenital anterior Urethral diverticulum in an adult transplant Recipient
 - h. Management of iatrogenic fistula between ileal neobladder And vagina
 - i. Post PCNL infundibular stenosis in paediatric patient – can We prevent?
- RR. Presented following papers in 14th **WEST ZONE USICON – 2004** at Akola on the subjects of

- a. Obstructive calculus anuria – predicament of renal function recoverability factors and management options.
- b. Long – Term results of Buccal Mucosa Urethroplasty for being Ureteric strictures.
- c. Poster Presented “Extra Renal Retroperitoneal Angiomyolipoma: First Case Report from India”
- d. Poster Presented “Obstructive Uropathy secondary to imperforate hymen in 11 months old infant”
- e. Poster Presented “Lumber Necrotizing: A rare suppurative complication in Nephrolithiasis”

SS. Presented following papers in 15th WEST ZONE USICON – 2005 at Gwalior on the subjects of

- a. Bladder neck incision in females: the long term results
- b. Laparoscopic Radical Nephrectomy for Large (T2) Tumors: Our early experience
- c. Laparoscopic Pyeloplasty: Where do we stand?
- d. Buccal mucosal urethroplasty: lesions learnt from long term experience.
- e. Pediatric Laparoscopic Pyeloplasty in crossed fused ectopia
- f. Laparoscopic Ureterolysis & Intraperitonealisation for Retroperitoneal fibrosis
- g. Retroperitoneoscopic Right Donor Nephrectomy
- h. Laparoscopic Retroperitoneal live donor nephrectomy: an initial experience
- i. Laparoscopic adrenalectomy for large Pheochromocytoma
- j. Laparoscopic guided PCNL in ectopic kidney for recurrent calculi
- k. Laparoscopic drainage of renal abscess
- l. ileocystoplasty with ureteric reimplantation of solitary functioning kidney in a post – irradiation small capacity bladder with frozen pelvis
- m. continent cutaneous diversion with external genitalia reconstruction in a patient with ambiguous genitalia & solitary kidney
- n. Anterior Rectus sheath releasing incision to prevent graft compression and secured closure of wound in renal transplant recipients
- o. Vesico cutaneous fistula in an undiagnosed outflow obstruction
- p. Endoscopic management of pouch and distal ureteral calculi in continent pouch: an innovative approach
- q. Laparoscopic pyeloplasty: where do we stand?
- r. Bladder Agenesis with Bilateral Ectopic ureter: A Rare anomaly

TT. Participated in Sumposium in the 35th Wrold Congress of the International College of Surgeons at Thailand on subject of Unsuual Complications of 1600 Live Donor Transplantation & 250 Cadaver Transplantation.

UU. Presented following papers in USICON (WZ) 2006 at Mehsana :
1. Vaginal Reconstruction for Congenital absence of Vagina in 5

cases.

2. Transperitoneal Laproscopic Donor Nephrectomy : Our early experience.

VV. Presented papers in AUA 2007 at Anaheim CA USA on subject of ' Buccal Mucosal Urethroplasty : Lessons learnt from long term Experience. '

WW. Following papers presented in 16th West Zone USICON 2007 at Goa

1. Ex – vivo URS
2. Incidentally detected uretero – enteric fistula
3. Laparoscopic radical nephro uretrectomy with vaginal extraction of Specimen
4. Open Vs Laparoscopic pyeloplasty
5. Podium

Trans peritoneal right donor nephrectomy –our early experience
Laparoscopic management of renal fistulae

Pre – transplant laparoscopic nephrectomy – safety and efficacy profile

Ureteroscopic management of ureteral calculi in children

Received first prize of podium on Colovaginoplasty in USICON WZ Goa

XX. Following papers presented in USI Patna Conference

Moderate poster:

Two cases of dual kidney transplant from non heart – beating donors at I.K.D.R.C., Ahmedabad – Dr. S.J rizavi

Endoscopic management of upper urinary tract fungal bezoar, should we intervene early? – Dr. Amit D. trivedi

Vijayawada poster:

Laparoscopic pyeloplasty in anomalous kidney : - Dr. Amit D. trivedi

Podium:

Cadaver kidney transplant programme at IKDRC, Ahmedabad

Complication of laparoscopic live donor nephrectomy : Is it really minimally invasive?

YY. Following papers presented in Chennai USICON 2008 on 16th, 17th, 18th, 19th & 20th January 2008

1. Leiomyosarcoma of penis: pathological dilemma of diagnosis
2. Follow up of 5 cases of colovaginoplasty with management of one case of mucocele of colon secondary to obstruction
3. Management Options For Renal Artery Aneurysm in Kidney Allograft Recipients
4. Ortho topic renal transplant – Gaurang kadam (chandigadh best)
5. Right retroperitoneoscopic donor nephrectomy (chandigadh best)
6. Laparoscopic VVF repair
7. Laparoscopic pyeloplasty

9. PUBLICATIONS:

- (A) "VESICAL & URETHRAL NEUROFIBROMATOSIS PRESENTED AS OBSTRUCTIVE UROPATHY"

S. Shah, P.V.L.N. Murthy, Ganesh Gopalkrishnan, A. P. Pandey, 61 364-365 British Journal of Urology"

- (B) EVALUATION OF EXTRAVESICAL AND POLITANO LEAD BETTER URETERONEOCYSTOSTOMY IN RENAL TRANSPLANTATION"

S. Shah, V. Nath, Ganesh Gopalkrishnan, A. P. Pandey in BRITISH JOURNAL OF UROLOGY (1988), 61 – 412 – 413.

- (AA) Abstract on “Lesson learnt from long term experience of Buccal Mucosal Urethroplasty. In the Journal of Urology. 2007.

(BB) A case report on urinary bladder amyloidosis published in Saudi Journal of Urology- Dr Suhag Patel, Dr. S. A Shah et al

10. GUEST SPEAKER:

1. Speaker in Symposium of State Level A.S.I. Conference paper held at Jamnagar in 1993 speaking on "G. U. TRAUMA".
2. Guest Speaker in Gynaec Society Conference on "Role of Gonadotrophins in Male Infertility" held at Mehsana.
3. Speaker at Symposium held at Bhuj through Surgeons Association, Gujarat State on "Urological Problems in day to day Practice" in 1994.
4. Guest Speaker Ahmedabad I.M.A. Conference on "Male Menopause Fact or Fancy"
5. Speaker in West Zone Urological Society of India Conference at Kolhapur in 1994 Symposium on "ANTIBIOTICS IN UROLOGY".
6. Guest Speaker on Symposium of "DIABETIC KIDNEY & SEXUAL DISORDER" held in 1995 at Kidney Institute, Ahmedabad.
7. Guest Speaker in O.B.&G. Society of North Gujarat Conference at Unjha in 1997 with Dr. Narendra Vani. Subject Management of Severe Oligospemia
8. Guest lecture on Practical Application of Urodynamic Study in monthly meeting of Ahmedabad Urological Association.
9. Guest Speaker in Gujarat State Medical Association Conference held at Bhavnagar in Nov. 1997 in Symposium on New Horizons of Stone Management: Ureteroscopy.
10. Guest Speaker for State of Art Lecture & Audio Visual Show at Modasa Gujarat State Surgeons Conference in November 1997. The Subject was Augmentation Cystoplasty.
11. The Guest Speaker in Rotary Club Kalol on common diseases in Urology Practice in December 1997.
12. Guest Speaker in Annual West Zone Conference of Endocrine Society at Ahmedabad on 2nd August, 1998. The subject was on "Medical & Surgical Approach to Male Infertility".
13. Guest Speaker in Modasa Gujarat State Surgeons Association Conference for Audio Visual Show on "Augmentation Cystoplasty".
14. Faculty in 43rd Annual Conference of International College of Surgeons. Subject: G. U. Trauma Management.
15. Invited as Guest Speaker to handle a workshop on 'Urodynamics & its clinical applications' 1st International Conference of Bangladesh Associations of Urological Surgeons at Dhaka on 19, March, 1998.
16. Invited by Jamnagar Medical Association on 26/09/99 to deliver a talk on "New Horizons in Endourology"
17. Guest Speaker at Gandhinagar IMA on Recent Advances in Sexual Dysfunction December 2001.
18. Guest Speaker at Botad IMA on Day to Day Urological Practice in - January 2002.
19. Guest Speaker at Deesa IMA on Day to Day Urological Practice & Retention of Urine in February – 2002
20. Guest Speaker on "Recent advance in urology" invited by Bhavnagar Surgeon's Association on 19th March 2008
21. Guest Speaker on "Update in urology" invited by Sabarmati Medical Association on 25th May 2008
22. Maninagar Medical Association invited as guest speaker to speak on update in urology at Jaldhara Resort on 25th April 2008

23. Update in urology at Bhilwara on 28th June 2008 by IMA Rajasthan
24. IMA Dhandhuka invited for recent advance in urology
25. on 13th September 2008 IMA Surendranagar invited for "What is new in urology"

11. GUEST FACULTY:

01. Faculty in International workshop on Laser in Endourology held in AIIMS Delhi under secretaryship of Dr. N.P.Gupta held in
02. Faculty in Female Urology Workshop held at Lilavati Hospital Organized by Dr. Ajit Vaze
03. Faculty in world Endourology Congress
04. As a National Faculty in Instructional Course in Urodynamics & Female Urology held at Hotel Lee Meridian at Pune Organized by Dr Shirish Yande
05. As a Convenor In "NEW FRONTIER'S IN UROLOGY" at Mount Abu
06. As a National Faculty in MASTER CLASS held at RC Auditorium of Tata Memorial Hospital at Mumbai, Course Director is Dr Percy Chibber & Convenor Dr Anil Bradoo & Dr Makrand Khochikar.
07. As a National Faculty in "INTERNATIONAL VIDEO WORKSHOP AND CADAVER HANDS ON DESSECTION FOR FEMALE URINARY INCONTINENCE & PELVIC FLOOR RECONSTRUCTION" at Taj Banjara Hotel, at Hyderabad.
08. As a National Faculty in "INTERNATIONAL CONFERENCE & LIVER OPERATIVE WORKSHOP IN URODYNAECOLOGY & RECONSTRUCTIVE PELVIC SURGERY" (Live Televised Demonstration) at Klaivanar Arangam, Govt. Kasturba Gandhi Hospital, Chennai
09. Guest faculty in ' Masterclass of PCNL ' under auspices of USI at Mumbai under convenorship of Dr. Percy Chibber spoke on
 - a) Instrumentation
 - b) Pediatric PCNL
10. Invited as Guest Faculty by Hon. Health Minister Dr. Ramdos in International Workshop of Urogynaecology at Chennai to Moderate Operation Session.
11. Faculty in Reconstructive Urology Subspecialty Meeting : Subject Bladder Neck Reconstruction at Varanasi in USICON 2006
12. Faculty in Transplant Speciality Meeting Subject – Forearm Arterio Fistula at Varanasi in USICON 2006
13. Faculty in Female Urology Subspeciality Meeting Subject – Complication of SIU Surgery at Varanasi in USICON 2006
14. Faculty in Urodynamics Workshop at Pune with Prof. Paul Abraham subject- Primary Bladder Neck Obstruction in Females : No More an Enigma
15. Faculty in Video Workshop on Female Urinary Incontinence with Dr. Helen(Australia) at Hyderabad, India.
16. Invited as Faculty to show the Video of Technique of Colovaginoplasty in RECON UROL 2006 at Mumbai at LTMG Hospital.

17. Invited as Faculty by Dr. N.P.Gupta in 1st Indian Workshop on Live Robotic Laproscopic Surgery at AIIMS, New Delhi.
18. Invited as an Examiner at Mock Exam conducted at MPUH, Nadiad in Programme for PGs by Urological Society of India.
19. Participated as faculty in subspeciality meeting of reconstructive Urology in USICON 2007 at Patna.
20. Invited National faculty of Jayramdas Patel academic Centre, MPUH Nadiad under leadership of Dr. Mahesh Desai.
21. By giving lecture on ' If Buccal mucosa Urethroplasty fails then what to do ? in USICON 2007 at Patna.
22. Participated in female urology subspeciality meeting convened by Dr. Rakesh Kapoor in a debate of VVF by speaking on ' Open suprapubic surgery is preferable '
23. In USICON 2007 at patna Chaired and participated in Transplant subspeciality meeting in session of ' Donor nephrectomy '
24. Participated in female urology subspeciality meeting convened by Dr. Rakesh Kapoor in a debate of VVF by speaking on ' Open suprapubic surgery is preferable ' in USICON 2007 at Patna.
25. As a faculty in female Urology Instructional course ' by speaking on ' Tricks of trades in Urethral Diverticulum Surgery ' in USICON 2007 at Patna.
26. As main faculty for Female Urology Workshop at MGM Medical College, Indore, in May 2007 invited by Dr. Mathur & Dr. Rajendra Airan where live surgery of TVT & VVF repair demonstrated
- 27.

12. TEXT BOOK PUBLICATION:

An article in video book

Published in Text Book "Reconstructive Laparoscopy edited by Dr Ramalingam & Dr. Vipul Patel published by oxford press

"LAPA ROSCOPIC TRANS URETEROURETEROSTOMY IN URETERAL STRICTURE" Trans Peritoneal approach by Dr Shailesh A Shah & Dr. Amit Devra

13. INVITED HONORARY WORK FOR UROLOGICAL SOCIETY OF INDIA

Published a guideline of "Management of BPH" for Indian patients on mandate of USI council headed by Dr. N. P. Gupta

14. RESEARCH & TRIAL PERFORMED :

1. Clinical efficacy on '-----' in Indian patients done by Torrent Pharmaceuticals in year 1990
2. Boehringer research on the subject of "A phase IIb/III, multicentre, double blind randomized, placebo controlled, dose ranging study of Tamsulosin hydrochloride (low, medium & high dose) as treatment in Children with neurogenic bladder for 3 months

3. Safety, physibility & efficacy of Roli flow OD in treatment of BPH with over active bladder by Ranbaxy.
4. Evaluation of efficacy and safety of extended release Trospium V/s Extended Release Oxybutinin in the treatment of overactive bladder with symptoms of a Randomised, open label, comparative, active control, multicentric trial.
5. Evaluation of sildenafil citrate in Indian patients for Zydus Cadila
6. Efficacy of Nitroglycerine ointment in impotence by Troika Pharma
7. Efficacy of Alfuscin in BPH patients by Sun Pharmaceuticals
8. Efficacy of combination in BPH with more than 30 gms prostate in Indian patients by Cipla Pharmaceuticals
